Benefits of the Corporate Member

(3.975€/year)

The Corporate Membership entitles the individual representative of the contract holder (the corporation) to the exact same benefits that a regular individual member is entitled to (see above “Benefits of the Individual Member”), plus 36 complimentary golf rounds for corporation invitees.

Benefits of the International Member

(695€/year)

The International Membership targets Oitavos Dunes enthusiasts:

- who live far away from Oitavos Dunes and therefore need to overnight nearby in order to play the course,
- and that would be keen to stay at The Oitavos Hotel (at special rates).

The International Membership entitles the contract holder to the exact same benefits that a regular individual member is entitled to (see above “Benefits of the Individual Member”).

The International Membership is roughly 75% cheaper than the normal membership. Such discount is justified by:

- the fewer opportunities that a non-local golfer has to play the course;
- the mandatory requirement that the International Member has to overnight at The Oitavos Hotel (Oitavos Dunes sister company) in order to play the course.
