Other important notes:

- 1) Info under column "Member 1st player" is for Individual Member. For Corporate Member & International Member consider also notes 3 & 4 below
- 2) Regarding benefits Adding 2nd & 3rd Member player and Adding 1st & 2nd Associate players, a "beyond doubt" correspondent proof of family bond will be required.
- 3) Corporate Membership - 4.595€ / year
 - entitles the individual representative of the contract holder (the corporation) to the same benefits that a individual member is entitled to, plus 36 complimentary golf rounds for corporation invitees.
- 4) International Membership - 795€ / year
 - targets Oitavos Dunes enthusiasts who live far away from Oitavos Dunes and therefore need to overnight nearby in order to play the course, and that would be keen to stay at The Oitavos Hotel (at 10% discount rates).
 - entitles the contract holder to the same benefits that an individual member is entitled to, except Adding 2nd & 3rd Member players and Adding 1st & 2nd Associate players. The International Membership is roughly 75% cheaper than the normal membership due to:
 - the fewer opportunities that a non-local golfer has to play the course;
 - the mandatory requirement that the International Member has to overnight at The Oitavos Hotel (Oitavos Dunes sister company) in order to play the course.
 - the inexistence of benefits Adding 2nd & 3rd Member players and Adding 1st & 2nd Associate players.

All information as of 29 Sep 2021. This document does not include all terms and conditions.

All non-contractual benefits/conditions are subject to change or elimination at any time without warning.
